

Let Go

Krept & Konan

There are only 4 chords used as far as I can tell.

I use the capo on the 2nd fret.

The chords are, in this order, Em C G(320033) G/F#(200033) OR D/F#(200233, both

sound okay to use.

I recommend using the G/F# in the hook and D/F# in the verses, but it just comes

down to which you think sounds better.

Verse:

Em **C** **G**
In the end, will it all be worth it
 D/F#
God willing, it will turn out perfect. . .

Hook:

Em **C**
Whenever I m feeling alone
G **G/F#**
Nobody don t ring my phone, phone
Em **C**
And I don t care any more
G **G/F#**
I ve been holding on too long. . .
