[Verse 1]

G#m F# B
Let s make this fleeting moment last forever

So, tell me what you re waiting for?

I m gonna keep it frozen here forever,

I m making the night mine until the day I die

No lights to brake when you re hanging by faith

You know what it feels like when you re dancing blind

[Pre-chorus]

All alone, just a beat inside my soul

B E B
Take me home, where my dreams are made of gold

In the zone where the beat is uncontrolled.
