

**Thought You Would Be
Krezip**

Krezip - Thought you would be

so this one is really easy... i guess every novice can figure this out
but i had nothing better to do ^^

intro:

A A G F

A A F E

Verse:

A **G** **F**
My head was dreaming when I saw you falling down

A **G** **F**
I did not see that you were suffering so much

A **G** **F**
But the things you said werenâ€™t more than just a sentimental dream

A **F** **G** **E**
You were my queen, you were, and it hits me like a rock

Chorus:

A **F** **E**
Youâ€™re gone, youâ€™re gone, youâ€™re gone out of my dreams

A **F** **E**
It hurts, itâ€™s true, you werenâ€™t what it seemed

A **F** **E**
And it goes around that you always did, you werenâ€™t what it seemed

A
And if you meant it then, I donâ€™t know,

F **E** **A** **G** **F**
but you were not who I thought you would be that you would be

A F E

(rest of chords like above)

Verse:

Iâ€™ve always seen you like a saving angel
Someone who knows everything or has been everywhere
But the things you said werenâ€™t more than just a sentimental dream
You were my queen, you were, and it hits me like a rock

Chorus:

Youâ€™re gone, youâ€™re gone, youâ€™re gone out of my dreams

It hurts, itâ€™s true, you werenâ€™t what it seemed

And it goes around that you always did, you werenâ€™t what it seemed

(youâ€™re gone, youâ€™re gone, youâ€™re gone out of my dreams)

And if you meant it then, I donâ€™t know, **A**

but you were not who I thought that you would be (it hurts, itâ€™s true)

G F A

You would be

G F A

You would be

G F A E(ad lib)

You would be
