Full Lyrics:

Sometimes we fall down, can t get back up
We re hiding behind skin that s too tough
How come we don t say I love you enough
Till it s to late, it s not too late

Our hearts are hungry for a food that won t come
And we could make a feast from these crumbs
And we re all staring down the barrel of a gun
So if your life flashed before you,
What would you wish you would ve done

Yeah, we gotta start
Looking at the hands of the time we ve been given
If this is all we got and we gotta start thinking
If every second counts on a clock that s ticking
Gotta live like we re dying

We only got 86,400 seconds in a day to
Turn it all around or to throw it all away
We gotta tell them that we love them
While we got the chance to say
Gotta live like we re dying

And if your plane fell out of the skies
Who would you call with your last goodbye
Should be so careful who we live out our lives
So when we long for absolution,
There ll no one on the line, yeah

Yeah, we gotta start
Looking at the hands of the time we ve been given
If this is all we got and we gotta start thinking
If every second counts on a clock that s ticking
Gotta live like we re dying

We only got 86,400 seconds in a day to
Turn it all around or to throw it all away
We gotta tell them that we love them
While we got the chance to say
Gotta live like we re dying

Like we re dying, oh, like we re dying..
