Full Lyrics:

Sometimes we fall down, can t get back up  
We re hiding behind skin that s too tough  
How come we don t say I love you enough  
Till it s to late, it s not too late

Our hearts are hungry for a food that won t come  
And we could make a feast from these crumbs  
And we re all staring down the barrel of a gun  
So if your life flashed before you,  
What would you wish you would ve done

Yeah, we gotta start  
Looking at the hands of the time we ve been given  
If this is all we got and we gotta start thinking  
If every second counts on a clock that s ticking  
Gotta live like we re dying

We only got 86,400 seconds in a day to  
Turn it all around or to throw it all away  
We gotta tell them that we love them  
While we got the chance to say  
Gotta live like we re dying

And if your plane fell out of the skies  
Who would you call with your last goodbye  
Should be so careful who we live out our lives  
So when we long for absolution,  
There ll no one on the line, yeah

Yeah, we gotta start  
Looking at the hands of the time we ve been given  
If this is all we got and we gotta start thinking  
If every second counts on a clock that s ticking  
Gotta live like we re dying

We only got 86,400 seconds in a day to  
Turn it all around or to throw it all away  
We gotta tell them that we love them  
While we got the chance to say  
Gotta live like we re dying

Like we re dying, oh, like we re dying..
