

Beads And Feathers
Kris Drever

Beautiful song, and as far as I can make out, it s basically **C** and **D** with a few **G** s dotted here and there, any combo of those sounds pretty good, i recommend a capo on 1 or 2 unless you have a wonderfully deep voice like Kris, unfortunately

being a girl i have no choice. hope this helps, :)

intro: **C D G**

C **D**
You ve been sailors for your souls
C **D**
You ve been soldiers unto many wars
C **D C**
You ve been miners for your peaceful hearts
C **D D G C**
You ve been fighters for your fallen tears and mine
C **D**
This flowing water never ends
C **D C**
These granite mountains cannot fall
C **D G C**
Just like them you live forever
C G **D C G**
And trade it all for beads and feathers

then any combo of the chords until you wanna end, but finish on a **g** :D
