A

Look at that old photograph

D **A**

Is it really you

D **A**

Smiling like a baby full of dreams

Smiling ain t so easy now

D **A**

Some are comin true

D **E**

Nothing s a simple as it seems

D

A

But I guess you count your blessings with the problems

D **E**

That you re dealing with today

D **A**

Like the changing of the seasons

A

Ain t you come a long way

(Ain t you come a long way)

E

Ain t you come a long way down

A

This old road

A

Looking at the glass

D **A**

Running out of time

D **A**

On a face you used to know

Traces of a future lost

D **A**

In between the lines

D **E**

One more rainbow for the road

D **A**

Thinking of the faces in the window

D **E**

That you passed along the way

D **A**

Or the last thing you believed in

chorus

Solo (harmonica)

D **A**

Say you tried to chase the sun down

D **E**

And you let it slip away

D **A**

And the holy night is falling

chorus

A **D** **A**
Look at that old photograph, is it really you
