I m In Trouble Now -- Kris Tyler

Oh I m in trouble now
Oh I m in trouble now
They say time will heal but I know it won t
Said I could live without you
But I really don t know how
Oh I m in trouble now
We all say things that we don t mean
I thought you would read between the lines
When I said it s over
The saddest thought just crossed my mind
This is love I ll never find again
When you closed the door
That s when I knew for sure
G
Oh I m in trouble now
Oh I m in trouble now
They say time will heal but I know it won t
Said I could live without you
But I really don t know how
               G

I have made my bed and you re not in it
I should have said wait a minute

If there s a lesson to be learned
Every word s a point of no return
And I wasn t careful
As soon as you get out of sight
A thousand prayers won t make it right this time
I still love you so
That s why I know
Oh I m in trouble now
Oh I m in trouble now
They say time will heal but I know it won t
Said I could live without you
But I really don t know how
Oh I m in trouble now
Oh I m in trouble now
