

In Your Arms
Krissy & Ericka

Em7 Cadd9 G Dsus4/F#

Keep me sane in your arms tonight

Em7 Cadd9 G Dsus4/F#

Hold me close that I might not fall

Em7 Cadd9 G Dsus4/F#

But I know that we might be destined for life

Cadd9 Dsus4/F#

A tragic flaw of mine is running away

Em7 - Cadd9 - G - Dsus4/F#

Em7 - Cadd9 - G - Dsus4/F#

Em7 Cadd9

Remember those nights, we stayed up

G Dsus4/F#

Just laughing on the phone

Em7 Cadd9

Remember that time you said that I

G Dsus4/F#

Will never let you go

Em7

Remember that time

Cadd9 G Dsus4/F#

When I said that we could never ever be

Em7 Cadd9

But I know It s a lie

G Dsus4/F#

Because deep down inside

Em7 Cadd9 G Dsus4/F#

Is a coward hiding underneath all the silly games I play

Em7 Cadd9 G Dsus4/F#

With the batting of lashes and all the charming things I say

Em7 **Cadd9** **G** **Dsus4/F#**
I m an addict to the fact that I could lure you in with just a crack of a
Em7
smile

Cadd9 **G** **Dsus4/F#**
But with you, I might wanna stay a while

Cadd9 - Dsus4/F#

Em7 **Cadd9** **G** **Dsus4/F#**
Keep me sane in your arms tonight

Em7 **Cadd9** **G** **Dsus4/F#**
Hold me close that I might not fall

Em7 **Cadd9** **G** **Dsus4/F#**
But I know that we might be destined for life

Em7 **Cadd9** **G** **Dsus4/F#**
A tragic flaw of mine is running away

Cadd9 **G** **Dsus4/F#** **Em7**
Running away from what we could have been

Cadd9 **G** **Dsus4/F#** **Em7**
I m losing myself in this game that we re in

Cadd9 **G**
I didn t mean to let you in

G **Dsus4/F#**
Now everything is backfiring

Em7 **Cadd9** **G** **Dsus4/F#**
Keep me sane in your arms tonight

Em7 **Cadd9** **G** **Dsus4/F#**
Hold me close that i might not fall

Em7 **Cadd9** **G** **Dsus4/F#**
But I know that we might be destined for life

Em7 **Cadd9** **G** **Dsus4/F#**
A tragic flaw of mine

Em7 **Cadd9** **G** **Dsus4/F#**
Keep me sane in your arms tonight

Em7 Cadd9 G Dsus4/F#

Hold me close that i might not fall

Em7 Cadd9 G Dsus4/F#

But i know that we might be destined for life

Em7 Cadd9 G Dsus4/F#

A tragic flaw of mine is running away..
