Tune down $\hat{A}\frac{1}{2}$ step

(C-F-G) x2

Got an (C) ex-old man and an (F) ex-best (G) girlfriend (C-F-G)
Took his (C) ring off my finger, (F) gave him back his (G) last name (C-F-G)
So don't (F) judge me, I'm doing the (G) best I can
Got a (F) damn good reason for this (G) drink in my hand
Got an (C) ex-old man and an (F) ex-best (G) girlfriend (C-F-G)

No I (Am) didn't see it coming, she was (G) sly as could be
I was (Am) crying on her shoulder, he was (G) cheating on me
She (Am) never let on that it was (F) her stealing his (G) love
But I wised up
I got an (C) ex-old man and an (F) ex-best (G) girlfriend (C-F-G)

Good (C) riddance to 'em both, I (F) really don't (G) need them (C-F-G)
I was (F) working two jobs, they were (G) fooling around
(F) Crossed my mind to put 'em (G) six feet in the ground
I got an (C) ex-old man and an (F) ex-best (G) girlfriend (C-F-G)

(Am) Trust may be something that (G) I live without
It's (Am) gonna take a while to (G) remove my doubt
But (Am) everyone around you at some (F) point will let you (G) down
That's how I feel now
I got an (C) ex-old man and an (F) ex-best (G) girlfriend (C-F-G)
I got an (C) ex-old man and an (F) ex-best (G) girlfriend (C-F-G)

(C-F-G) x4

Now I (Am) heard it through the grapevine, he's (G) tired of her
(Am) Guess they're finally getting what (G) they deserve
The (Am) last time I saw him he (F) had the nerve to hit on (G) me
How sleazy can you be?
I got an (C) ex-old man and an (F) ex-best (G) girlfriend (C-F-G)

Took his (C) ring off my finger, (F) gave him back his (G) last name (C-F-G)
So don't (F) judge me, I'm doing the (G) best I can
I've got a (F) damn good reason for this (G) drink in my hand
I got an (C) ex-old man and an (F) ex-best (G) girlfriend (C-F-G)
I got an (C) ex-old man and an (F) ex-best (G) girlfriend (C-F-G)
(C-F-G) repeat and fade
