

Living The Dream
Kristian Valen

living the dream

verse 1:

D **E**
feel each breath you **Ã**re taking
F#m **E**
as I watch you fall asleep
D **E**
I **Ã**m writing you this letter
F#m **E**
for strength in time of need
D
when I **Ã**m not there

A
if you should ever feel small
E
- know I care
A **E**
in your heart everywhere

verse 2:

D **E**
when another day is dawning
F#m **E**
I **Ã**m a thousand miles away
D **E**
remember what I told you
F#m **E**
I promise I won't stray
D
I **Ã**ll be right there

A
I **Ã**ll be the sunshine
E
- the wind in your hair
E
just whisper my name

A-E **F#m**
you take me higher, babe
E **A**
higher than I've ever have been

E **F#m**
you show me sides of life IÃ¢ve never seen
E **A**
IÃ¢m living the dream

verse 3:

D **E**
I know it wonÃ¢t be easy
F#m **E**
I canÃ¢t stop the rain
D **E**
the waiting drives me crazy
F#m **E**
but I still feel the same
D
IÃ¢ll be right there

A **E**
IÃ¢ll be the fire that burns in your heart
E
you just whisper my name

chorus:

A-E **F#m**
you take me higher, babe
E **A**
higher than IÃ¢ve ever have been
E **F#m**
you show me sides of life IÃ¢ve never seen
E **A**
IÃ¢m living the dream

bridge:

D **E** **F#m**
you opened my eyes so I could see
E
unraveled the mystery in me **A**

chorus:

A-E **F#m**
you take me higher, babe
E **A**
higher than IÃ¢ve ever have been
E **F#m**
you show me sides of life IÃ¢ve never seen

E **A**
IÃçm living the dream
