

Co-Pilot

Kristina Maria

Hey there! This is co-pilot by Kristina Maria. I saw no one else had put the chords up, so I decided to. Best done in power chords, but open chords are fine, too. Enjoy! :)

Intro: **Am C G** (x4)

Eyo

**Am C G Am C G**  
Co-pilot, co-pilot, co-pilot

Verse:

**Am**

We can go where you wanna go

**C G Am C G**

We just gotta fuel it up

**Am**

Try catching us if you can

**C G Am C G**

This flight ain t about to stop, no

**Am C G Am**

There s no need to buckle up on this joyride

**C G Am**

Please leave your seat back up, push it upright

**C G Am C G**

Come join this eerie island way of life

Chorus:

**F**

**F**

We re going up up up till the stars are below

**Am**

**G**

I m gonna take this club to the city of love

**F**

Come, we re gonna go flying

**F**

Oh I may need a co-pilot

**G**

Baby be my co-pilot

**F**

**F**

With every puff puff puff, girl the higher you go
