

Be Mine

Kristina & The Dolls

So, this song is from the movie Beastly and its an amazing song so I hope you enjoy it :D

Em
I would run, I would crawl, to the end of the world for you

G **D**
Give you all that I am

D
Just to see your face

Em
I would burn in the fire to see you on the other side

G **D**
Put my heart in your hands

D
To be beside you

C
To be beside you

Em
To be the one who

G **D**
Gets to be right next to you

Em
Just say that you ll be mine

G
And run away with you

D
Together we ll make it through

A
No matter what they say

Em
I ve never felt this way

G
For anyone before

D
We ll make it through the storm

A
Together safe and warm

Em
Just say that you ll be mine

I would live underground in the dark with no fear
Send my soul to the floor of the deepest ocean
Put my heart in a safe place for no one else to see
Until you come to rescue me
And set it free

To be beside you
To be the one who
Gets to be right next to you

Just say that you ll be mine
And run away with you
Together we ll make it through
No matter what they say
I ve never felt this way
For anyone before
We ll make it through the storm
Together safe and warm
