I remember colors painted in my eyes

F#m F F#m G#m

Green was for the springtime, blue the summer skies

And now the skies have darken, the white clouds turn to grey

F#m F F#m G#m

What a way to break a heart, you took all the colors away

C#m C A# G#m

Dark black is the color of my life

F#m F

Since you've been gone

F#m G#m

Since you've been gone

C#m C

Oh if you come back

A# G#m

Make my whole world bright

F#m F

Since you've been gone

F#m G#m

Dark black is the color of my life

I remember visions, you taught me how to see

F#m F F#m G#m

The world of your colors was right there in front of me

C#m C A# G#m

Oh but what good is a rainbow, if the picture  $\hat{a} \in \mathbb{T}$ s in black and in white

F#m F F#m G#m

Oh what good is a future when there's not a color inside

Ooooh ooooooohooo

F#m F

Since you've been gone

F#m G#m

Since you've been gone

A# G#m

Make my whole world bright

F#m F

Since you've been gone
