

Airborne Ranger Infantry
Kristy Lee Cook

I couldn't find ANY chords for this song, so this is by ear. Its pretty accurate I think! Enjoy!!

Capo 1

Cadd9 **D** **G**
My daddy was a soldier in a foreign war

Cadd9 **D** **G**
But he doesn't like to talk about it any more

Cadd9 **D** **Em**
He kept a picture of my mama right by his heart

Cadd9 **D** **G**
He'd give it one last look before the fighting would start

G D Cadd9
 He said all I ask is that you don t forget
 G D Cadd9
 Cause the wars not over when the fighting ends
 G D Em
 There s a part of me that will always be
 Cadd9 D G
 Just a boy in a hole with an M-16
 Cadd9 D G
 Airborne ranger infantry

I left my best friend lying in a pool of blood
While I crawled away through the brush and mud
If I could choose to go back again
I d die lying there next to him
I still see his face when I close my eyes
As I won t forget his sacrifice

There s a part of me that will always be
Just a boy in a hole with an M-16
Airborne ranger infantry

Cadd9 G
Oh, oh
Cadd9 G
Oh, woah
Cadd9 G D
Oh, oh, yeah

I didn't do it for the money didn't do it for fame
I didn't do it so the world would remember my name

I did it for my family and my country,
And my brothers who died right next to me.

And all we ask is that you don't forget
Cause the wars not over when the fighting ends
There's a part of us that will always be
Just boys in a hole with our M-16s

G **D** **Cadd9**

Honoring souls and memories

Cadd9 **D** **G**
