My daddy was a soldier in a foreign war

Cadd9 D G

But he doesn t like to talk about it any more

Cadd9 D Em

He kept a picture of my mama right by his heart

Cadd9 D

He d give it one last look before the fighting would start

G D Cadd9

He said all I ask is that you don t forget

G D Cadd9

Cause the wars not over when the fighting ends

G D En

There s a part of me that will always be

Cadd9 D G

Just a boy in a hole with an M-16

Cadd9 D G

Airborne ranger infantry

I left my best friend lying in a pool of blood While I crawled away through the brush and mud If I could choose to go back again I d die lying there next to him I still see his face when I close my eyes As I won t forget his sacrifice

There s a part of me that will always be Just a boy in a hole with an M-16 Airborne ranger infantry

Cadd9

Oh, oh

Cadd9 G

Oh, woah

Cadd9 G D

Oh, oh, yeah

I didn t do it for the money didn t do it for fame I didn t do it so the world would remember my name

I did it for my family and my country, And my brothers who died right next to me.

And all we ask is that you don t forget Cause the wars not over when the fighting ends There s a part of us that will always be Just boys in a hole with our M-16s

G D Cadd9

Honoring souls and memories

Cadd9 D G
