

**Late At Night**  
**Kristy Lee**

i haven t really figured out the picking pattern yet but here are the chords.....

wonderful song if you can find it to listen to.

capo 3

**G** **D** **C** **C**  
**G**

it s late at night

**D** **C** **C**  
and I cant sleep

**G**  
and so i lie

**D** **C** **C**  
awake and try to think

**G**  
but when you hold me

**D** **C** **C**  
the way you do

**G**  
i have no choice

**D** **C** **C**  
but to fall in love with you

**G** **D** **C** **C**  
it s late at night

**G** **D** **C** **C**  
it s late at night

**G** **D** **C** **C**  
and sometimes it hurts so bad

**G** **Dn** **C** **C**  
when i think about all the times we ve had

**G** **D** **C** **C**  
and all the memories that i ve made

**G** **D** **C** **C**  
of us together are fallin away

**G** **D** **C** **C**  
and i m falling too

**G** **D** **C** **C**  
and i m falling too

**G**      **D**      **C**      **C**  
it s late at night  
          **G**      **D**      **C**      **C**  
it s late at night  
          **G**      **D**      **C**      **C**  
it s late at night  
          **G**      **D**      **C**      **C**  
it s late at night

**G**                          **D**                  **C**                  **C**  
do you think, do you see, do you even believe in me  
          **G**                          **D**                  **C**                  **C**  
do you feel the same leaving me to blame for all your pain

**G**                          **D**                  **C**                  **C**  
well do you think, do you see, do you even believe in me  
          **G**                          **D**                  **C**                  **C**                  (stop)  
well do you feel the same leaving me to blame for all your pain

**G**      **D**      **C**      **C**  
it s late at night  
          **G**      **D**      **C**      **C**  
it s late at night

**G**                          **D**  
too late to call you ve fallen asleep  
          **C**                          **C**  
and fall away from me

**G**                          **D**  
too late to call you ve fallen asleep  
          **C**                          **C**  
and fall away from me

**G**                          **D**                  **C**                  **C**  
do you think, do you see, do you even believe in me  
          **G**                          **D**                  **C**                  **C**  
do you feel the same leaving me to blame for all your pain

**G**                          **D**                  **C**                  **C**  
well do you think, do you see, do you even believe in me  
          **G**                          **D**                  **C**                  **C**                  (stop)  
well do you feel the same leaving me to blame for all your pain

**G**      **D**      **C**      **C**  
it s late at night

G D C C

it s late at night

fade
