Fire by Krystal Meyers

Tabbed by GraceGirl

Intro: (wait for 2 bars, then come in) **B, G#m, B, G#m** (x2)

B

You make light from dark

G#m

Illuminate my heart

It started with a spark

B

And now I m consumed

I know that it s your will

G#m

So I m gonna shine until

I m a city on a hill

E

And they can see you

F#

And know you

E

F#

And know you inside

[Chorus]

G#m

You set me

E

You lit me

B F#

I m on fire

G#m

E

What a beautiful sight to see

B F#

I m on fire

G#m

E

Until my light is burning bright

B

F#

E

I m gonna lift your name and let this flame get higher

G#m,E F#, G#m, E

Fire

B **G#m**
Let your fire feed on all my disbelief

Cause you are all I need

B
You re contagious

Like a blaze I can t contain

G#m
It never fades away

It s sunshine through the rain

E
That s what your love is

F#
And I know

E **F#**
And I know inside

-[Chorus]-

Bridge:

F#, **G#m** **B** **E**
I wanna show em you re the only one
F# **G#m**
Show em you re the only one
B **G#m** **E**
You re the only reason why I m on fire
