In Your Hands - Krystal Meyers

Key: B minor

What also sounds good is if you Capo 2 and take all the chords down a step (so you are playing a B minor song with A minor chords). :)

Verse 1:

Bm A G
I listen through the darkness
D A Bm
And I know that Im not alone
A G
And I feel You all around me
D A Bm
But every time I call
A G
All I hear is my own echo
D A Bm
Your silence says it all
A G
Im restless but I will not fight
D A
Ill, oh...
Bm
Let go

Chorus:

A
Its in Your hands
G
Its in Your hands
D A Bm
I trust You though I dont understand
A
Its in Your hands
G
Its in Your hands
D A Bm
Ill close my eyes and fall in your plan
A G
Plan, plan, plan, plan, plan
D A Bm
I trust You cause its all in Your hands

Verse 2:

As time slips through my fingers
I slow down and breathe you in

Theres a peace that washes over me
And Im not afraid at all
Of things I cannot see
Nor understand
Cause faith is blind
And Ill go on another night
Cause I know...
(Its in Your hands)

Repeat Chorus

Bridge:

Em
Maybe one day
A
This will make sense
G
But until then
 D A Em
Im trusting You

Im confused
A
But Youll come through
G
You always do
 D A Em
Ive waited so long

To see my sun on
A
The horizon
G
Feel it coming on
D A
And Im seeing You...
