Intro: **A**

Couplet 1:
 A   **E**
 You were cool, yes you were,
 F#m   **D**
 I fell in love like a girl,
                F   **A**
 Living in a picture perfect world!
 A   **E**
Something came sneaking in
 F#m   **E**
 underneath all but my skin
                     F
 And we bottled it up,
                  E
 Till we both had enough and we make a scene!

Chorus: 2x

               A
 All these broken bottles, bottles
        E
 That we all torn up,
 D
 Look at all the glass on the floor!
 A   **E**
 Bottles, bottles, yeah we mess things up,
     D
 And I donâ€™t even know what weâ€™re fighting for!

Couplet 2:
Love is a fool and she hurts,
when you give your heart away
You never know how they bring it back one day!
All I wanted was for us to have trust,
But I guess it wasnâ€™t good enough
The only way is...wasnâ€™t meant for us

Even though we tried!

 Chorus: (x2)
All these broken bottles, bottles
That we all torn up,
Look at all the glass on the floor!
Bottles, bottles, yeah we mess things up,
And I donâ€™t even know what weâ€™re fighting for!

Amaj7   A
Look at us now,
        D
Fighting more!
D7   A
Look at us God,
   Faug   D
We fight some more!
            Dm
Itâ€™s all we do,
              A   E
Now all thatâ€™s left of me and you!

Chorus: 2x
            A
 All these broken bottles, bottles
       E
 That we all torn up,
 D
 Look at all the glass on the floor!
 A   E
 Bottles, bottles, yeah we mess things up,
     D
 And I donâ€™t even know what weâ€™re fighting for!

A   E   D   A
Nananananou, nanananananou,
            D   A
