

Difficulty
KT Tunstall

(intro) **A A7+ A A7+**

A

Isn't much more I can do for you
Isn't much more that I can try

A7+

Twisting myself into shapes
To stop you crying

A

What'll I do if I lose you
What'll I do if I lose

A7+

Difficulty is coming my way

A A7+ A

Coming my way

A7+

Making my way into places
Only been seen on your darkest days

A

Breaking my heart to take a walk
Into your jungle

A7+

What can I do in this world for you
If difficulty is my friend

A

Keeping me company when I know

A7+

I don't need it

A

I don't need it

(refrão)

A D+

oh, oh, oh

You change every day

F#m E

You change every day

(What can I do to make you notice)

D+

You change every day

F#m E

You change every day

(A little more time to bring you home)

D+

You change every day

F#m

You change every day

E **A**

How can I tell you the truth

(**A A7+ A A7+**)

When I don't want to

A

Possible days in my future

Possible ways into my past

A7+

Sewing it up nice and tightly

So I don't wonder

A

What if I did so much more for you

And what if I'd said so much more

A7+

Difficulty would be a stranger

A stranger to me

A7+

D+

You change every day
