

Feel It All
KT Tunstall

I m growing like a seed **Am**
Rains been falling on me **Fmaj7**
I ve been covered in cold **C**
I ve been shrouded and downed **G**
My heart is on a wire **Am**
Sailing pretty like a bird **Fmaj7**
But the hunter is out **C**
And the eagle is hurt **G**

The word that I
F Am G
Feel, feel it all
F Am
Yes, I can feel
G
Feel it all

I m looking to the sky **Am**
And I ll be listening to the stars **Fmaj7**
And maybe thinking of you **C**
And wondering where you are **G**
Do you know what you ve done for me **Am**
You made my branches grow **Fmaj7**
Now they can play with the wind **C**
And they can carry the snow **G**

F Am
