(Verse 2) - repeat Verse 1
Looks like I got to be hot and cold
I got to be taught and told
Got to be good as gold
But perfectly honest
I think it would be good for me
Coz it s a hindrance to my health
I m a stranger to myself

(Chorus)

Dadd9 **Am** **Asus Am7/G Dadd9**
Miniature disasters and minor catastrophoes

Am A11 Am
Bring me to my knees

F/E

Well I must be my own master
Gsus2 **E11/B9** **Am Am7 E7#9**
Or a miniature disaster will be
It will be the death of me

(Verse 3) - repeat Verse 1
I don t have to raise my voice
Don t have to be underhand
Just got to understand
That it s gonna be up and down
It s gonna be lost and found
And I can t take to the sky
Before I like it on the ground

(Bridge)

F/E..

And i need to be patient

Gsus2

And i need to be brave

E11/B9

Need to discover

Am Am7

How i need to behave

F/E

And I ll find out the answers

Gsus E11/B9

When i know what to ask

A/Fdim7

But i speak a different language

E7#9

And everybody s talking too fast

(Chorus) - repeat Chorus

Miniature disasters and minor catastrophoes
Bring me to my knees

Well I must be my own master
I ve got to run a little faster
I need to know I ll last if a little
Miniature disaster hits me
It could be the death of me
