

**Still A Weirdo**  
**KT Tunstall**

Heard this on the radio today and thought it was an awesome tune and was surprised it  
been tabbed anywhere yet so I thought Id have a go!

Ive done this in chord form as its easier than writing picking patterns, there are a few  
ons in the track and Ive highlighted a couple that seemed most important, Im sure you  
are capable of picking out the rest, its not that hard when you get the picking down!

Please rate me and leave me a comment if you wish! Hopefully you can follow my terrible  
haha!

Chords youre going to need, some may have odd names so Ive tabbed everything I used!
