its so neverending noooooo
youre letting me sail on the wrong boat
theres no way down noooooo
if you will never let my heart rest

oh i dont mind if you carry me for the rest of my life
no i dont mind if you turn me into you
oh i dont mind if you chase me for the rest of my life
no i dont mind if you turn me into you

i just swallowed and sang now youre changing
youve been waiting ive been in your mind
oh i will resist this daydream
oh will you ever let my heart rest?

oh i dont mind if you carry me for the rest of my life
no i dont mind if you turn me into you
oh i dont mind if you chase me for the rest of my life
no i dont mind if you turn me into you

hello my fire. what you burning?
suddenly it seems like somethings gotten into you
i love watching your spiral towers turning
oh will you ever let my heart rest?

oh i dont mind if you carry me for the rest of my life
no i dont mind if you turn me into you
oh i dont mind if you chase me for the rest of my life
no i dont mind if you turn me into you
