Well the drinks on the house
fighting and cheating bottles flying around
There ll be love and laughter and kissing
There ain t a god damn thing you re missing
So welcome everybody,

We re gonna have a good old party
It sure is gonna happen here
So let yourself feel right at home
We only want you to have some fun

Put on that old country music
and the songs we used to sing
Yeah the lady is in the corner
Oh it looks like they got a plan
Oh we re gonna party, yeah

And it seems to me we could use a break
let out the steam for the night
So don t go thinking about tomorrow
it ll only bring you down
Yeah we re gonna party, woo.
