Verse 1:

	EmAdd9	G/F#	
Youâ€™ve			been down the dark detours
	G	G/F#	
You have			seen most of it all
	EmAdd9	G/F#	
Crashed			into the million faces
	G	G/F#	
But never			listened to them talk
	EmAdd9	G/F#	
Youâ€™ve			got so much on your mind right now
	G	C	D
It doesnâ€™t			even help to try to solve them all

	EmAdd9	G/F#	
You used			to smile when hope and a pat on the back
	G	G/F#	
Would last			throughout the day
	EmAdd9	G/F#	
As the rain			kept falling down on you
	G	G/F#	

You wouldn't let them wash the feeling away
