EmAdd9 **G#/F# G#**

Verse 1:

	EmAdd9	<b>G#/F#</b>	
Youâ€™ve	been down the dark	detours	
<b>G#</b>		<b>G#/F#</b>	
You have	seen most of it	all	
EmAdd9	<b>G#/F#</b>		
Crashed into the	million	faces	
<b>G#</b>		<b>G#/F#</b>	
But never	listened to them	talk	
EmAdd9	<b>G#/F#</b>		
Youâ€™ve	got so much on your	mind right now	
<b>G#</b>		<b>C# Eb</b>	
It doesnâ€™t	even help to try to	solve them	all

	EmAdd9	<b>G#/F#</b>	
You used to	smile when hope and a	pat on the back	
<b>G#</b>		<b>G#/F#</b>	
Would last	throughout the	day	
EmAdd9	<b>G#/F#</b>		
As the rain	kept falling down on	you	
<b>G#</b>		<b>G#/F#</b>	

You wouldn't let them wash the feeling away
