EmAdd9 **F/F# F**

Verse 1:

	EmAdd9	<b>F/F#</b>	
Youâ€™ve			
been down the dark detours			
	<b>F</b>	<b>F/F#</b>	
You have seen most of it all			
	EmAdd9	<b>F/F#</b>	
Crashed into the million faces			
	<b>F</b>	<b>F/F#</b>	
But never listened to them talk			
	EmAdd9	<b>F/F#</b>	
Youâ€™ve got so much on your mind right now			
	<b>F</b>	<b>Bb</b>	<b>C</b>
It doesnâ€™t even help to try to solve them all			

	EmAdd9	<b>F/F#</b>	
You used to smile when hope and a pat on the back			
	<b>F</b>	<b>F/F#</b>	
Would last throughout the day			
	EmAdd9	<b>F/F#</b>	
As the rain kept falling down on you			
	<b>F</b>	<b>F/F#</b>	

You wouldn't let them wash the feeling away
