Verse 1:

 EmAdd9 **F#/F#**
Youâ€™ve been down the dark detours
 F# **F#/F#**
You have seen most of it all
 EmAdd9 **F#/F#**
Crashed into the million faces
 F# **F#/F#**
But never listened to them talk
 EmAdd9 **F#/F#**
Youâ€™ve got so much on your mind right now
 F# **B** **C#**
It doesnâ€™t even help to try to solve them all

 EmAdd9 **F#/F#**
You used to smile when hope and a pat on the back
 F# **F#/F#**
Would last throughout the day
 EmAdd9 **F#/F#**
As the rain kept falling down on you
 F# **F#/F#**

You wouldn't let them wash the feeling away

EmAdd9
