Carry Me To The Cross Kutless

The song from the album is played Capo 4. However, they take it down a half step to capo 3 when they play it live, as you can see on K-Love s YouTube feed. Happy playing!

```
Verse 1:
                   C
  When the path is daunting
And every step exhausting
G D/F# C
                D/F#
                       Em D
I m not alone, I m not alone, no, no
                      C
  I feel you draw me closer
All these burdens on my shoulder
  D/F# C
                D/F#
I m not alone, I m not alone,
You pull me from this place
Chorus:
G Am Em D
Halle-lujah
            C
                  G
                                   Dsus
You carry me every day, You carry me all the way
G Am Em D
Halle-lujah
            C G
                               Dsus D
You carry me to the, You carry me to the cross
Verse 2:
[power chords]
                 G (C)
How your love has moved me, yeah
                       G (C)
To the foot of all your glory
G D/F# C
                 D/F# Em
I m not alone, I m not alone
   D
I m not alone
Bridge: [strum 1/8th notes]
            Em
All of these cities you have built
           D/F#
```

And every cathedral you have filled

G Am7

To all of creation you gave life with your hands

And with those hands you comfort me

D

You lift me up from my knees

Em C D

And carry me, You carry me

[Chorus]
