

Loud
Kutless

Artist: Kutless

Song: Loud

Album: To Know That You re Alive

Key: Db minor

(Note: I put the minor and major signatures on the chords, but in the recording they truly just use power chords. I m not sure what tuning they use, so I ll give

the bridge in standard and drop Db because I m pretty sure they use drop Db, I don t really know, I just play it on a 5-string bass)

Intro: **Abm E, Abm Dbm** (2x)

Verse:

Abm E Dbm
I put it all on the line when I talk to You
Abm E Dbm
Cause if I keep it underground, it can t get through
Abm E
I want for you to see, the very best in me
Dbm
My eyes are open wide and now I m breathing
Abm E Dbm
I ve finally broken free, the fire burns in me!

Refrain:

Abm E
You can try and turn me down
B Ebm
But I was born to be this loud
Abm E
How can I be quiet now?
B Eb
When I believe it and I want it?

Verse 2:

Abm E Dbm
I m not gonna wait til I m outta time
Abm E Dbm
Please forgive me if it seems like I m out of line
Abm E
I hope that you believe, I m not your enemy
Dbm
I m not the least bit concerned with my own way
Abm E Dbm
But I cannot ignore, the things I m living for!

Abm **E**
You can try and turn me down

When I believe it and I want it?
