```
Sad Songs
Kyd the Band
[Intro]
Em C G D
[Verse]
All my friends play Nintendo
Cause 8-bit life s so simple
    Em
Had a pretty low key upbringing
So how do I explain these demons
Em
I m a little jet black mood ring
Everybody dies kinda movie
And I know my folks they worry
Cause I m a little, I m a little sad faced
[Chorus]
Em C
I only like sad songs
Something may be wrong with me
   C G
And I leave the TV on
So someone s in the room
Find me a girl, let her wear my sweater
Under the hood we could hide out together
                 C
And I ll sing her all sad songs
And hope she sings along
                  Em C G
And hope she sings
And hope she sings along
[Verse]
Em
Ms Slipknot t-shirt, never heard that band
```

```
G
You think love is a chemical romance
Maybe our silver lining is not really finding
Cause I wanna get lost with you
She got my white Vans sneakers
Catching a wave from the speakers
And I know her folks they worry
Cause she s a little, she s a little sad faced
[Chorus]
       C
Em
I only like sad songs
Something may be wrong with me
                C G
And I leave the TV on
So someone s in the room
Find me a girl, let her wear my sweater
Under the hood we could hide out together
                  C
And I ll sing her all sad songs
   D
                        Em C G
And hope she sings along
                   Em C G
And hope she sings
And hope she sings along
[Bridge]
                Em
                     C
Don t you wanna run away with me now
               \mathbf{E}\mathbf{m}
I can see your smile even when it s upside down
                \mathbf{Em}
                     C
Don t you wanna run away with me now
I can see your smile even when it s upside down
[Chorus]
Em C
I only like sad songs
```

D Something may be wrong with me C G And I leave the TV on So someone s in the room Find me a girl, let her wear my sweater Under the hood we could hide out together С And I ll sing her all sad songs Em C G And hope she sings along D Em C G D And hope she sings [Outro] Em C Don t you wanna run away with me now Em I can see your smile even when it s upside down
