

When I took the lead instead of being led

Main Riff (4x)

**Em** **G**  
Feed me, none of your lines  
**D** **Em**  
I won't fall for them, cause I'll lose  
**Em** **G**  
And hold me, to none of my words  
**D** **Em**  
I don't mean them, when I'm with you  
**D** **Em**  
And the cars streak past with a life inside  
**G** **D**  
Why is my life in your eyes?  
**D** **Em**  
And the windows glow with the hearts they've known  
**G** **D**  
Why is my heart never mine?

**Em** **G**  
I've been better, when the sky was red  
**D** **Em**  
And a face like yours couldn't make me scared  
**Em** **G**  
I've been better, with the things I've said  
**D** **Em**  
When I took the lead instead of being led  
[x2]
