

Courage

Kyla La Grange

Capo 4

G

You say you like my conversation over again

Am C G

But you don't love me

G

Am

You say I have a heart of gold and a body that you'd long to hold

C Am G

And it kills me

G

You say you like my company you'll spend all my time

Am C G

But you don't love me

G

Am

And I know if I sailed a thousand seas and threw myself down on my knees

C Am G

You'd leave me

Am

C

G

I think maybe there's a hole in your soul

I think maybe there's a hole in your soul

G D

C

D

Hold your hands or don't leave me hanging on you

Hold your hands oh don't leave me waiting on you

G

D

C D

Courage will you come to my aid

Courage will you come to my aid

G

You hide a hundred implications under your skin

Am C G

And you don't love me

G

Am

You run your fingers through my hair and hurt the heart I have laid bare

C Am G

And everybody sees

G

I build you in to hold my plans with hope at my heels

Am C G

But you don't love me

G

Am

You say you cannot help yourself that your emotion cannot swell

C Am G

And I can't make you feel

Am

C

G

I think maybe there's a hole in your soul

I think maybe there's a hole in your soul

G D

C

D

Hold your hands or don't leave me hanging on you

Hold your hands oh don't leave me waiting on you

G

D

C D

Courage will you come to my aid

Courage will you come to my aid
