CAPO 3

D **C**
Bitten by the wind on a hard hard day
G **D**
And God I really want you to stay
D **C**
Bitten by tears and a burning fear
G **C**
That had smeared us both on the table

C **Em** **G**
And there are too many people in this street
C **Em** **G**
There are too many eyes to meet

D **C**
So I hold your wrist and I feel you listless
G **D**
Shaking on the edge of your seat

Em , **C** , **G** , **D** X3
Oh hide me safe away I want to see myself
Painted an invisible gray.
Feed me to the years and I will make myself
Harmless as a drawn-on tear
Please donâ€™t hold me in your soul like a heavy stone,

Em **C** **D** **G**
I am carrying my cold heart home.

D **C**
Trapped by a breath and it hit my head
G **D**
like a thousand bricks from the sky
D **C**
And I saw you choke as the last bridge broke
G **D**
And our fingers waved goodbye

C **Em** **G**
There are too many clowns stumbling by

C **Em** **G**
There are too many hand to untie

D **C**
So we leave it there by the tin can chairs

G **D**
And the pavement swallows our lives

Em , C , G , D X3
Oh hide me safe away I want to see myself
Painted an invisible gray.
Feed me to the years and I will make myself
Harmless as a drawn-on tear
Please donâ€™t hold me in your soul like a heavy stone,

Em **C** **D** **G** X2
I am carrying my cold heart home
I am carrying my cold heart home

C **G** **D** X4
Your face has followed me home
With unwanted grace I leave you lonely
We were never made a perfect piece to fit
We will remain unfinished puzzles as we seat

Em , C , G , D X3
Oh hide me safe away I want to see myself
Painted an invisible gray.
Feed me to the years and I will make myself
Harmless as a drawn-on tear
Please dont hold me in your soul like a heavy stone,

Em **C** **D** **G** X5
I am carrying my cold heart home
I am carrying my cold heart home
I am carrying my cold heart home
I am carrying my cold heart home
I am carrying my cold heart home
