

Walk Through Walls
Kyla La Grange

G

Did you run through doors

Em

Til you hit the floor?

C

Did you read my eyes

G

And my aching thoughts?

G

Did you walk through walls

Em

Til you had to crawl?

C

Oh my god your smile

G

And my soundless calls

G Em C G

Ooooooooo

G Em C D

Ooooooooo

Em C G D

Get up get up get up my heart is heavy

Em C G D

Sit up sit up sit up enough already

C G D

Take this, don t look without seeing me

C G D

Stay here, don t touch without feeling me

C

Don t you see?

G

Did the light leave holes

Em

Where the ceiling rolled?

C

Did you lay your head

G

As it all took hold?

G

Did you spin so slow?

Em

I didn't see you go

C

Oh I wish I had

G

I wish I'd known

G Em C G

Ooooooooo

C G D
Stay here, don't touch without feeling me

C G
And you're two feet away from my arms

Em D
But my head is weighed down by the spark

C G
And it's too much to take when you turn

Em D
When I still haven't seen what I've learned

Em C G D
Get up get up get up my heart is heavy

Em C G D
Sit up sit up sit up enough already

C G D
Take this, don't look without seeing me

C G D
Stay here, don't touch without feeling me

Em C G D
Get up get up get up my heart is heavy

Em C G D
Sit up sit up sit up enough already

C G D
Take this, don't look without seeing me

C G D
Stay here, don't touch without feeling me
