Walk Through Walls
Kyla La Grange

```
        G#
Did you run through doors
        Fm
Til you hit the floor?
        C#
Did you read my eyes
      G#
And my aching thoughts?

        G#
Did you walk through walls
        Fm
Til you had to crawl?
      C#
Oh my god your smile
        G#
And my soundless calls
```

```
G# Fm C# G#
Oooooooo
G# Fm C# Eb
Oooooooo
```

```
Fm          C#       G#                Eb
Get up get up get up my heart is heavy
Fm          C#       G#            Eb
Sit up sit up sit up enough already
C#                  G#                  Eb
Take this, don t look without seeing me
C#                  G#              Eb
Stay here, don t touch without feeling me
          C#
Don t you see?
```

```
        G#
Did the light leave holes
          Fm
Where the ceiling rolled?
        C#
Did you lay your head
      G#
As it all took hold?

        G#
```

Did you spin so slow?
```
         Fm
```
I didn t see you go
```
     C#
```
Oh I wish I had
```
  G#
```
I wish I d known

G# Fm C# G#
Oooooooo
G# Fm C# Eb
Oooooooo

```
Fm          C#       G#                 Eb
```
Get up get up get up my heart is heavy
```
Fm          C#       G#              Eb
```
Sit up sit up sit up enough already
```
C#                    G#                    Eb
```
Take this, don t look without seeing me
```
C#                    G#                 Eb
```
Stay here, don t touch without feeling me

```
          C#                          G#
```
And you re two feet away from my arms
```
         Fm                         Eb
```
But my head is weighed down by the spark
```
            C#                           G#
```
And it s too much to take when you turn
```
         Fm                         Eb
```
When I still haven t seen what I ve learned

```
Fm          C#       G#                 Eb
```
Get up get up get up my heart is heavy
```
Fm          C#       G#              Eb
```
Sit up sit up sit up enough already
```
C#                    G#                    Eb
```
Take this, don t look without seeing me
```
C#                    G#                 Eb
```
Stay here, don t touch without feeling me

```
Fm          C#       G#                 Eb
```
Get up get up get up my heart is heavy
```
Fm          C#       G#              Eb
```
Sit up sit up sit up enough already
```
C#                    G#                    Eb
```
Take this, don t look without seeing me
```
C#                       G#               Eb
```
Stay here, don t touch without feeling me

C#
Don t you see?
