```
Till They Take My Heart Away
Kyla
**** Keybords ****
Intro: G - Em2 - C - D (2x)
                            Bm7
                                      C(M7)
                  Em2
 I look into your eyes so far away
                         Em2
                                      Bm7
                                                    C(M7)
 There s trouble in your mind you re losing faith
                                 Bm7
                                      C(M7)
Em
                  D
 hey now...let me hold you it ll be okay
              Em7
                                 C(M7)
 cause i will love you til they take my heart away
                  Em7
                             Bm7
Remember when you called and said goodbye
                            Em7
                                    Bm7
you d thought we d lost it all and so did i
    Em7
but even if i d lost you
          Bm
                     C(M7)
 it would be the same
             Em7
                                C
                                        D
 cause i will love you til they take my heart away
              Bm7
                     C
                                                                   D
   D
                                        Em
                                                           C
believe.. im here to stay cause i will love you til they take my heart
 away..
(INTRO CHORDS:)
hoo..ooo.oo
now as stronger than before
we ve made it through
now i ve never felt more sure
because of you
hey now are you listenin
can u hear me say?
```

cause i will love you til they take my heart away

believe im here to stay...

cause i will love you til they take my heart away

believe...in me
i m here to stay
 cause i will love you
til they take my heart away..
away...away...
i will love you
til they take my heart away
