Verse 1

[tab]G        C        D  
Getting up at 6:15 give or take I get to school but I m barly awake. I[/tab]  
[tab]                C  
finish an assignment that was due last week as I explain that I m not[/tab]

stupid just very unique.

[tab]G                C  
Thinking about girls halfway through math, my teacher s a homework[/tab]  
[tab]        D  
happy psychopath. Now here s an equation that ll stick like a knife[/tab]

[tab]C  
joy plus misery equals my life.[/tab]

(top string 2nd fret gets one pluck after sport)

[tab]G                C  
Recess comes and goes as I play some sport, now why can t math class[/tab]

[tab]                D  
be that short. By the end of the day my brains have melted to foam.[/tab]

[tab]C,D  
And there s a fifty-five minute drive till I get home.[/tab]

Verse 2

[tab]G        C        D  
I run down the hallway, through my bedroom door. And as I reach for the[/tab]  
[tab]                C  
pistol hidden in the dresser drawer, I tell the man in the mirror,[/tab]

[tab]G        C        D  
"I won t go to that place again." Today ll be the last time I go[/tab]

[tab]        G        C        D        C  
through that again.[/tab]
