Standard Tuning

C **Am**
I keep looking at your picture
C **Am**
the one I took of you standing in your t-shirt
F **G**
what goes around, comes around

that there s the one at the canyon
but yes with reckless abandon,
the wind was blowing in your hair

C
you ve got that sunshine
Am
you ve got that golden heart
F
and even if it falls apart
F
I know you ll be okay

C
you ve got that good time
Am
you ve got that southern charm
F
and even if you fall down hard
F
I know you ll bounce right back
C **F** **G**
K-A-N-G-A-R-O-O
C **F** **G**
K-A-N-G-A-R-O-O

you ve got that sunshine
you ve got that golden heart
and even if it falls apart
I know you ll be okay

you ve got that good time
you ve got that southern charm
and even if you fall down hard
I know you ll bounce right back
