

You Always Make Me Smile
Kyle Andrews

This song is really great and easy to play.

The whole song is just a simple D G A

Verse: D, D2, G, A

For the D2 I just play 0-0-0-2-3-0

Chorus: D, A, G

D	D2	G	A
I like your messy hair. I like the clothes you wear.			
I like the way you sing and when you dance with me.			
Ready set, here we go.			

D	A	G
I don t know why, I love you.		
I just know I can t stop thinking of you		
OH WAIT oh oh oh oh oh		
It s cause you make me smile		
oh oh oh oh oh		
You always make me smile		

I like that rainbow pair, of gym shoes that you wear.
I like the chance you take. I like the mess you make.

I don t know why, I love you.
I just know I can t stop thinking of you
OH WAIT oh oh oh oh oh
It s cause you make me smile
oh oh oh oh oh
You always make me smile

I like that rainbow pair, of gym shoes that you wear.
I like the way you sing and when you dance with me.
I like the face you make and when you dance with me.
I like the rules you break and when you dance with me.
I like the cake you bake and when you dance with me.
I like the chance you take so won t you dance with me?

I don t know why, I love you.
I just know I can t stop thinking of you
OH WAIT
It s cause you make me smile
You always make me smile

I don t know why, I love you.
I just know I can t stop thinking of you
OH WAIT oh oh oh oh oh
It s cause you make me smile
oh oh oh oh oh
You always make me smile
oh oh oh oh oh
You always make me smile

I don t know why, I love you. (You always make me smile)
I just know I can t stop thinking of you
OH WAIT oh oh oh oh oh
It s cause you make me smile
oh oh oh oh oh
You always make me smile
You always make me smile
