

Come On  
Kyle Park

[Intro]

C G D

[Verse]

C

Well its a 1, 2, 3 you said lets go

G

D

I wanna get good seats at the show you know

C

Oh you know that its the kind of place you would never go

G

But when you have fun, I ll say I told you so

D

Oh, I told you so

[Chorus]

Em C

G

D

Baby, baby, baby, baby you make me feel alive

Em

C

And you can take me, take me anywhere you want

G

D

I m yours tonight all night all right so just

C

Come on, come on, lets get a little risky

C

Come on, come on, we re in love, drunk, and tipsy

G

D\*

Come on, come on, baby just kiss me

C

Just kiss me

G D

[Verse]

C

Well its 1, 2, 3 and the lights go down

G

D

All the music starts, and you can hear the sound

D

C

You can hear the sound, of young hearts beating so damn loud

G

Just you and me rocking to the rythm now

D\*

Rocking to the rythem now

[ Chorus ]

**Em**                    **C**                    **G**                    **D**  
 Baby, baby, baby, baby you make me feel alive  
                          **Em**                    **C**  
 And you can take me, take me anywhere you want  
                  **G**                    **D**  
 I m yours tonight all night all right so just  
**C**  
 Come on, come on, lets get a little risky  
**C**  
 Come on, come on, we re in love, drunk, and tipsy  
**G**                    **D**  
 Come on, come on, baby just kiss me  
                          **C**  
 Just kiss me

[ Bridge ]

G  
Get lost in the music  
G  
The lights and the movement  
G C\*  
It feels so electric, you can and me we get it

[ Chorus ]

Em C G D  
Baby, baby, baby, baby you make me feel alive  
Em C  
And you can take me, take me anywhere you want  
G D  
I m yours tonight all night all right so just  
C  
Come on, come on, lets get a little risky  
C  
Come on, come on, we re in love, drunk, and tipsy  
G D  
Come on, come on, baby just kiss me

[Outro]

\*4 strums quickly each line then mute

C  
Come on, come on, lets get a little risky

C  
Come on, come on, we re in love, drunk, and tipsy

G  
Come on, come on, baby just kiss me
