Verse 1:

E **B**
You re still the brightest star that lights up my midnight sky
E **B**
Every time I think about you I laugh right after I cry
E **B**
You re everywhere I turn and youre every girl I see walkin by
E **F#**
And everyone says I ll get over you It just takes time
G#m **A** **E** **F#**
I ve done everything, to try and let go, I ve done all that I can do

Chorus:

B **F#**
I m missing you, I miss your every move
E **F#**
without you around, I feel my world coming down
B **F#** **E**
I m missing you, I m thinking all I can do is keep movin on,
F# **G#m**
And maybe you ll see you re wrong for leavin me,
B **F#** **G#m**
And did you know that every night when I fall asleep
B **F#** **E**
Every one of my dreams involve kissin you
G#m **F#** **B**
And everyday I m awake I m missing you

Verse 2:

E **B**
I talk on the street and I can barely speak my name
E **B**
Just one thought about you and I forget what I have to say
E **B**
I reach for the phone but I know I m only an old flame
E **F#**
It would be a tough call but after all I m the one who s to blame
