

## 2 Hearts

Kylie Minogue

### E G A

You make me invisible like sky you make my day, I feel so wonderful, oh oh-oh  
don t let go

I m seeing the dark of you it feels like I never saw the sun, should I shout for  
a rescue, oh oh-oh don t let go

Looks good in sunshine hold on because im coming on up for it, I can t even see  
up here, oh oh-oh don t let go

Two hearts are beating together, I m in love I m in love

Is this forever and ever, I m in love I m in love
