Kylie Minogue

Bm

Wrapped in a blanket of hope
Asleep in a bed of dreams
My step into eternity
Is not what it might have been

Em

Or not at all,

A

For who knows which way
The wind is gonna blow?

Em

A

I m waiting, for your gentle whisper

D

Bm

Distant child, my flower

G

Are you blowing in the breeze?

A

Can you feel me, as I breathe

G

Life into you.

D

Bm

In a while, my flower

G

Somewhere in a desert haze

A

I know one day, you ll amaze me

Bm

An act of balancing, imagining,
The moment I can be
Looking deep into your eyes,
For now, a mystery.

Em

Or not at all,

A

For who knows which way
The wind is gonna blow?
