

Lost Without You
Kylie Minogue

[Verse 1]

D
I never did mind the storm
A
Even when my heart was torn
D **A**
Thunder in the night sky
D
Running from a town like this
A
Crashing with a stolen kiss
D **A**
We re all glitter and tears in the moonlight
D
And it came to me in a taxi ride
A **F#m**
Hit me like a blinding light
D
And my heart was beating so alive
A
Wanna find myself out in the wild
F#m **D**
Oh I, oh I

[Chorus]

F#m **D**
I wanna get lost without you
Bm **E**
(In the dark, in the night)
F#m **D**
I wanna get lost without you
Bm **E**
(Get it wrong, make it right)
F#m **D**
Ooh, ooh
Bm **E** **F#m** **E** **D**
Tell me is that cool?
D
I wanna get lost without you

F#m **D** **Bm** **E**
F#m **D** **E**
