

Love At First Sight  
Kylie Minogue

**Asus2** **Bsus-C#m**  
Thought that I was going crazy

**Asus2** **Bsus-C#m**  
Just having one those days yeah

**Asus2** **Bsus-C#m**  
Didn t know what to do

**Asus2** **Bsus-C#m**  
Then there was you

**Asus2** **Bsus-C#m**  
And everything went from wrong to right

**Asus2** **Bsus-C#m**  
And the stars came out and filled up the sky

**Asus2** **Bsus-C#m**  
The music you were playing really blew my mind

**Asus2** **Bsus-C#m**  
It was love at first sight

**Asus2** **Bsus-C#m**  
cause baby when I heard you

**Asus2** **Bsus-C#m**  
For the first time I knew

**Asus2** **Bsus-C#m**  
We were meant to be as one

(Follow the same chords for the rest of the song)

Was tired of running out of luck  
Thinking bout giving up yeah  
Didn t know what to do  
Then there was you

And everything went from wrong to right  
And the stars came out and filled up the sky  
The music you were playing really blew my mind  
It was love at first sight

cause baby when I heard you  
For the first time  
I knew we were meant to be as one

And everything went from wrong to right  
And the stars came out and filled up the sky  
The music you were playing really blew my mind  
It was love at first sight
