

Love At First Sight
Kylie Minogue

Asus2 **Bsus-C#m**
Thought that I was going crazy

Asus2 **Bsus-C#m**
Just having one those days yeah

Asus2 **Bsus-C#m**
Didn t know what to do

Asus2 **Bsus-C#m**
Then there was you

Asus2 **Bsus-C#m**
And everything went from wrong to right

Asus2 **Bsus-C#m**
And the stars came out and filled up the sky

Asus2 **Bsus-C#m**
The music you were playing really blew my mind

Asus2 **Bsus-C#m**
It was love at first sight

Asus2 **Bsus-C#m**
cause baby when I heard you

Asus2 **Bsus-C#m**
For the first time I knew

Asus2 **Bsus-C#m**
We were meant to be as one

(Follow the same chords for the rest of the song)

Was tired of running out of luck
Thinking bout giving up yeah
Didn t know what to do
Then there was you

And everything went from wrong to right
And the stars came out and filled up the sky
The music you were playing really blew my mind
It was love at first sight

cause baby when I heard you
For the first time
I knew we were meant to be as one

And everything went from wrong to right
And the stars came out and filled up the sky
The music you were playing really blew my mind
It was love at first sight
