

Love

Kylie Minogue

[Intro]

C

[Verse 1]

C

Love is a matter of taste

Don't let her go to waste

F

Love is whoever you wear

Put it on and lay her bare

C

Love is wherever you are

Wishing on the brightest star

F

Love is the perfect song

C

Dance to her all night long

[Chorus]

C

Am

Whatever you feel, it will always be real in love

F

Whatever you do, it will always be true in love

C

Whatever you need, it will be always be free in love

[Verse 2]

C

Love is your pair of heels

Click click and you're on the ceiling

F

You're dreaming, believing

In everything so revealing

C

Love is having nothing to hide

Taking a walk on the wild side

F

Love is a disco ball

C

Shining on us all

[Chorus]

C

Am

Whatever you feel, it will always be real in love

F

Whatever you do, it will always be true in love

C

Whatever you need, it will be always be free in love

[Post-Chorus]

C

Love

Love

Am

Love

Love

C

Whatever you need, it will be always be free in love

[Bridge]

C

Love is a day in bed

Lying in your lover s t-shirt

Am

Lying in your lover s t-shirt

C

In love

[Chorus]

C

Am

Whatever you feel, it will always be real in love

F

Whatever you do, it will always be true in love

C

Whatever you need, it will be always be free in love

[Post-Chorus]
